

Soft Red Winter • VERY EARLY

AgriMAXX 492

high performance wheat

Maturity	Very Early
Head Type	Bearded
Height	Medium

- Excellent test weight
- Joints early, shows early nitrogen demand need
- Good for late planting
- Tillers well
- Fungicide at bloom recommended

AgriMAXX 492 is a very early variety with top-of-the-line test weight AND yield for the South. 492 tillers well and joints early, making it a better fit for later plantings. This variety works well across a wide range of soil profiles. Our data has shown that 492 provides a high ROI for a fungicide application at bloom. Growers will be impressed with the huge grain heads and attractive looks at harvest.
