- Special variety! Heavyweight™ & Defender™
- Superior yields with agronomics
- Works across variety of soils
- Good choice behind corn & soybeans
- Good choice for 15" rows
- Joints late for maturity class

This 5-star variety holds a distinct honor of being both a DEFENDER™ and HEAVYWEIGHT™! Maximum plant health. Maximum test weight. Maximum yields. As a DEFENDER™, AM 513 has the best overall disease package and is a great fit for standard management programs. In high management programs, 513 has welcomed growers into our 150 Bushel Club! We also like how it tillers well, joints late, performs across all soil types and finishes with a timely harvest. 513 is simply a must plant on every farm.
