- **Superstar in the East & South**
- **Strong tillering product with stiff straw**
- **Hessian fly resistance**
- **Impressive plant health showcasing a clean flag leaf**
- **Great double crop product with quick dry down**

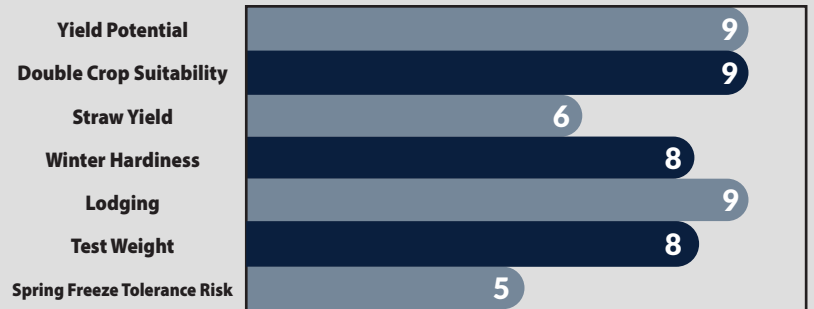

AM 543 is a new and exciting product that is a shining star. This medium early product offers a complete package to growers: strong yield stability, high disease resistance, stiff straw and good looks! The disease resistance is impressive, benefiting growers who are looking for protection against Hessian fly, BYDV, leaf rust, stripe rust and head scab. This go-anywhere product with quick dry down at maturity can be used on all soil types for an earlier start to harvest. AM 543 is one to plant in 2024!
