

Soft Red Winter • MEDIUM

AM 535

HEAVYWEIGHT™

Maturity	Medium
Head Type	Bearded
Height	Medium

- **Heavyweight™! Elite test weight**
- **New & improved version of AM 415**
- **Broad placement for all soil types**
- **Stiff straw for high management programs**
- **Excellent stress tolerance for stability**
- **Hessian fly resistance to most biotypes**
- **Responds to fungicide at bloom**

AM 535 is a HEAVYWEIGHT™ that is a new and improved AM 415. AM 535 dominates in the same footprint AM 415 did, so if you liked AM 415, you'll love AM 535. This product can be placed across a wide variety of soil profiles and has the resilience to bring big yields, heavy test weight, great standability, good foliar disease scores and Hessian fly tolerance. Good years and tough years, AM 535 should be a consistent performer to depend on. Full speed ahead!
