AM 545

high performance wheat

Maturity	Medium
Head Type	Bearded
Height	Medium

- **Yield Champion!**
- **Elite performance across the Midwest & North**
- **Excellent choice for fields with high fertility**
- **Can be pushed in high management programs**
- **Responds to fungicides**
- **Top yielder in multi-year data**

AM 545 is the new yield champion for wheat growers. This medium maturity unlocks a new level of top-end yield for high management programs. AM 545 is built for yield, yield and yield. This variety has excellent standability and good head scab scores to benefit growers. With a later jointing date, you can plant it earlier in the fall with confidence. AM 545 is a great fit for average to better soils where you're looking to push yields. As with most racehorse varieties, we recommend the use of fungicides to help protect against rusts and elevate yield.
