

Soft Red Winter • MEDIUM EARLY

AM 543

high performance wheat

Maturity	Medium Early
Head Type	Smooth
Height	Medium

- Superstar in the East & South
- Strong tillering product with stiff straw
- Hessian fly resistance
- Impressive plant health showcasing a clean flag leaf
- Great double crop product with quick dry down
- Huge grain heads with excellent floret fertility

AM 543 is a shining star product. This medium early product offers a complete package to growers: strong yield stability, high disease resistance, stiff straw and good looks! The disease resistance is impressive, benefiting growers who are looking for protection against Hessian fly, BYDV, leaf rust, stripe rust and head scab. AM 543 works across all soil types to use as a go-anywhere product. AM 543 will catch your attention with huge head flex. This is one to plant!
