

Soft Red Winter • ULTRA EARLY

# AM 520

**HEAVYWEIGHT™**

high performance wheat

<b>Maturity</b>	<b>Ultra Early</b>
<b>Head Type</b>	<b>Smooth</b>
<b>Height</b>	<b>Medium Tall</b>

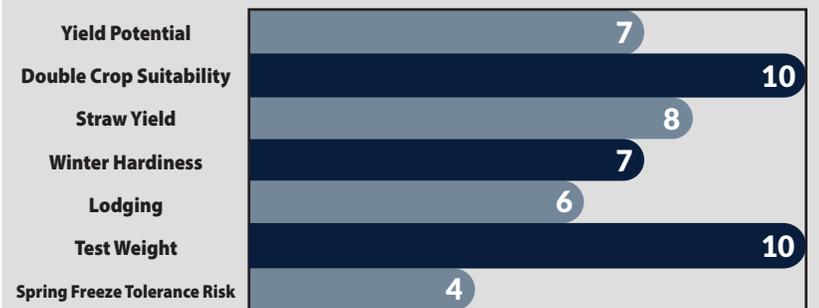

- **Ultra early for quick start to harvest**
- **Heavyweight™! Superior test weight**
- **Great yields across Midwest for maturity class**
- **Aggressive tillering product**
- **Responds to fungicides for enhanced leaf health**

AM 520 is the top of the ultra early maturity class, allowing a fast start to harvest. AM 520 packs a punch with our special HEAVYWEIGHT™ designation! Bringing more yield and heavier test weight into this ultra early class, growers will improve their wheat and double crop soybean returns. This product does well in management programs that use fungicides and Palisade. AM 520 has shown broad adaptation to many soil profiles, especially in lighter soils. Growers will like its huge grain heads and attractive appearance in the field.
