

Soft Red Winter • MEDIUM

AM 525

DEFENDER™

Maturity	Medium
Head Type	Bearded
Height	Medium

- Extreme top-end yield potential + superior disease resistance
- Responds to high management & fertile soils
- Defender™ with excellent agronomics
- Good for early planting
- Maximizes photosynthesis all season long with erect canopy growth

Upgrade your horsepower to AM 525! This product has superior disease resistance. AM 525 is a complete and consistent package with resistance to BYDV, septoria leaf blotch, leaf rust, stripe rust and head scab. AM 525 packs a yield punch too, winning state yield contests and welcoming growers into our 150 Bushel Club. AM 525 thrives in high management programs and fertile soils. We've seen this variety handle wet field conditions as well.
