

Soft Red Winter • MEDIUM

AM 564

NEW HEAVYWEIGHT™

high performance wheat

Maturity	Medium
Head Type	Bearded
Height	Medium Tall

- Elite performance in East and South
- Heavyweight™! Excellent test weight
- Strong tillering for wide rows and tougher soil
- Excellent stress tolerance and yield stability
- Excellent leaf health
- 5 Star looks and eye appeal

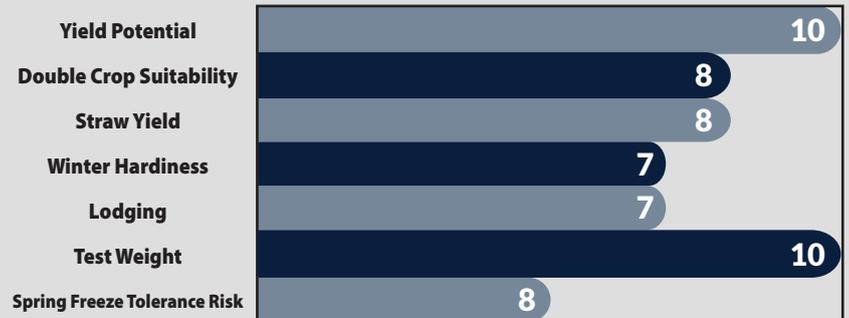

AM 564 is the real deal and is exciting. This variety has the Hall of Fame AM 415 as a parent line, bringing excellent yield potential, elite test weight, strong stress tolerance, heavy tillering, great leaf disease scores and looks. AM 564 works across all soil profiles but really elevates yield in those tougher environments. Rest assured, this variety has excellent foliar health and clean flag leaf for those high disease years. If a grower is pushing for max yield, the use of Palisade in high fertility environments and the use of fungicide at bloom will be an added benefit.
